

### COMPANY PROFILE

Greetings and welcome to our modest Arch community

#### **NRCH**

## CON TENTS

#### **ABOUT US**

The combination of innovation and business acumen is intertwined with **professionalism**, emphasizing the significant responsibility that comes with being an architect or an engineer. This professional approach forms the basis for our interactions with customers, partners, and society as a whole. It underpins our internal organization structure, policies, procedures, and tools.

Obtaining all of the values of originality, innovation, and perfection in order to be the only and first trustworthy option for our clients.

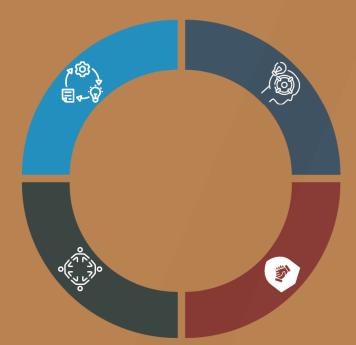

## 

We aim to assist our knowledgeable clients in achieving their goals by providing them with **innovative** and **creative** solutions, while also sharing valuable knowledge. Our approach is focused on making their targets a reality.

#### **OUR CAPABILITIES**

With our ability to foresee solutions, we meticulously plan every aspect of our projects and significantly reduce risks and uncertainties in the entire

#### To Detail

With our expertise in logistics, installation, and assembly, we have the capability to closely monitor even the most minute

#### **All Kind of Material**

Our industries enable us to create various types of material and apply cutting-edge techniques to enhance its quality and innovation.

#### **Trust**

Our clients can rest assured knowing that we prioritize their monitoring every project both before and after its completion.

#### **OUR DIVISIONS**

#### **NRCH**

#### **INTERIOR**& ARCHITECTURAL DESIGN

Planning and organizing of ideas and spatial arrangements.

#### **ENGINEERING DESIGN**

Electromechanical and Structural Components

#### **TRADING**

Providing the supply of furniture and finishing materials.

#### TECHNICAL OFFICES

Prepare working drawings, shop drawing and BOQ.

**PROJECT** 

#### LOGISTICS& WAREHOUSING

A fleet of over 20 vehicles and a warehouse spanning 1,200 square meters.

#### **PROCURMENT&** SOURCING

The capacity to effectively acquire goods or services from various locations across the globe.

#### the PMP's

**SUPPORT SERVICES** 

Law, Human Resources, and Financial Management

**MANAGMENT OFFICE** 

The personnel consists of

individuals who have obtained

#### **QUALITY CONTROL**

Guaranteeing strict adherence to elevated benchmarks.

#### **COMMERCIAL**

Estimation, Financial Management, and Quantity Surveying

A cutting-edge facility spanning 3,000 square meters located in Riyadh.

Largest company division

11 12

### We collaborate closely with clients throughout the entire project, ensuring exceptional service within the specified timeframe and budget.

Our original designs are inspired by innovative thinking, resulting in transformative solutions that enhance various aspects of life such as living, playing, learning, and working.

This artistic and innovative approach is the essence of our work, as we bring our client's visions to fruition in unique and meaningful ways. By embracing creativity and remaining at the forefront of design solutions, we continually challenge ourselves and employ cutting-edge strategies.

## 

Drawing from our extensive background in construction and fit out, we leverage our team of skilled engineers and craftsmen who work in-house. This allows us to closely monitor every stage of the project. Our team consists of experts in carpentry, painting, taping, floor covering, and electrical work. Through our streamlined design-build-furnish approach, we maintain complete control over the process, ensuring greater efficiency and cost competitiveness, resulting in faster project completion.

#### **ALUMINUM**

Specialized in aluminum construction. with a commitment to innovation and quality enabled us to apply the new standards in the industry for both performance and reliability. ARCH utilizes cutting-edge manufacturing processes that enable us to produce products that are tailored specifically to meet our customer's needs.

## PRO DUCTS

Facade

Doors

Windwos

Shutters

Handrail

Sky Light

Louvers

Partition

Pergola

Fly Screen

Cladding

Our unique Facade systems offer the flexibility and advanced functionality demanded by modern buildings.

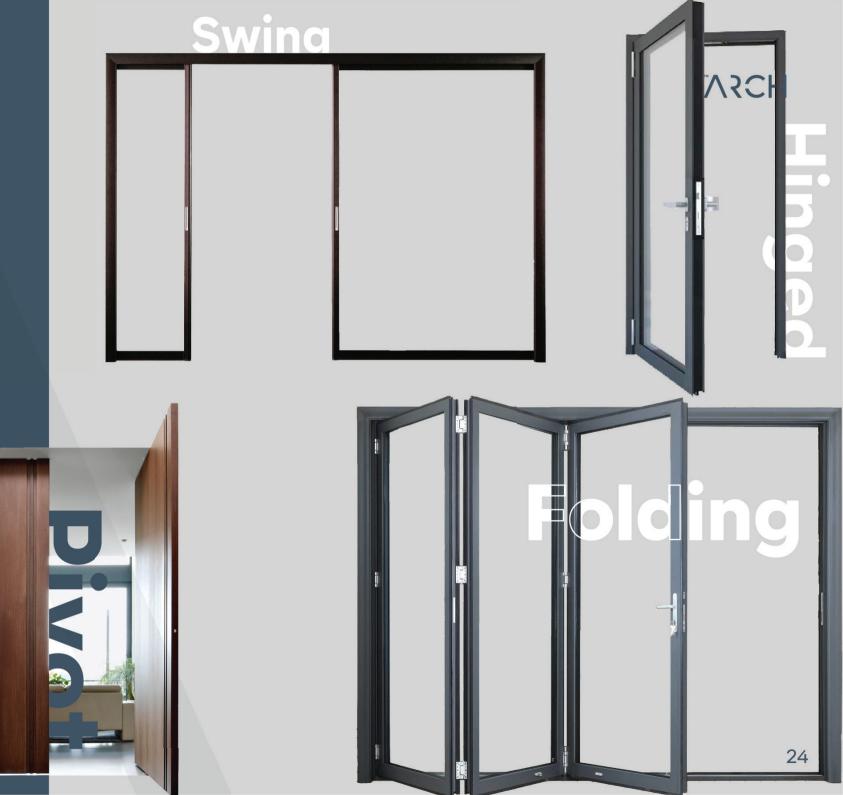

Combining strong but lightweight aluminum profiles with glazed sections, our systems can be faceted, double-skinned, curved, or angled to create the desired finish, whilst offering maximum light transmission into the building with minimum profile sightlines All profiles are thermally broken to ensure maximum performance and all our systems include a wide range of features to provide complete design flexibility.

- Curtain Wall
- Structure SG 50
- Vortex
- Frameless
- Spider systems.

We offer a group of modern special sectors in aluminum systems, sections of entrance doors, and doors of the main fence to give the appropriate for all tastes, and that suit the weather factors available in a wide range of colors and finishes Which complies with the requirements of any customer to prevent the entry of air, water, and dust even in the most severe sandstorms. Fully compatible with modern industry systems that make doors simple and cost-effective while ensuring design flexibility and durability for purpose whatever the requirements.

- Hinged Door
- Pivot Door
- Sliding Door
- Swing Door
- Folding Door
- Left And Slide Door

From the frame to the structural wall attachment, our window systems fulfill the highest technical requirements. Special profiles, fittings, and glazing guarantee reliable protection from the weather, as well as sound reduction and burglar resistance. and meet the highest quality requirements and offer numerous benefits.

- 2 To 6 Rail Window
- Vertical Sliding Window
- Hinged Window
- · Double Action Window
- Push Out Window

Shutters in such structures protect interiors against excessive sun exposure, they protect windows against unauthorized entry and the facade gains a characteristic look.

**NRCH** 

### We offer various styles of aluminum railing systems with dependable quality and competitive prices. All Aluminum Railings feature interlocking technology for picket railing, multi-line railing, glass railing, cable rail, and custom railing. also offers standard bent pipe and bent round tube rail with machined flush fittings for use as multi-line aluminum railing systems, wall-mounted handrails,s and aluminum stair and ramp railing to meet architectural, industrial, and commercial.

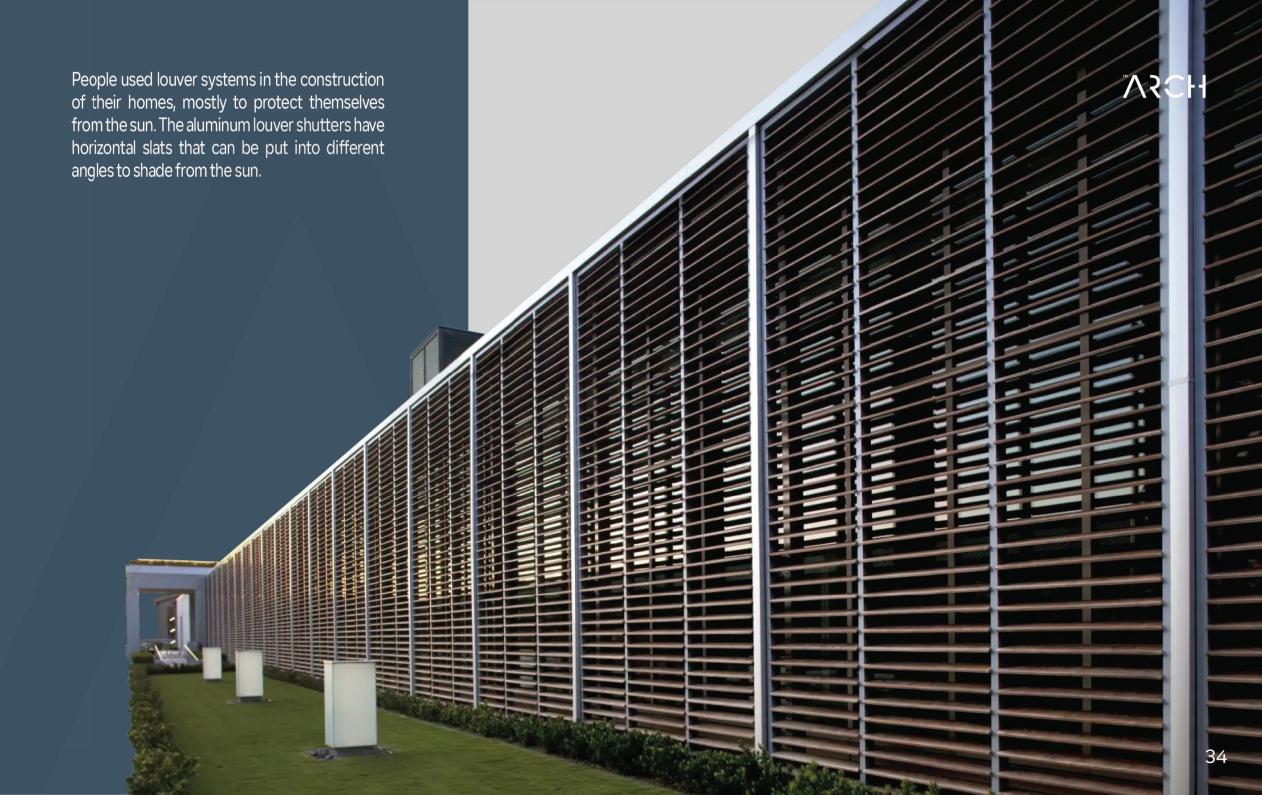

30

## 

We offer skylights that bring light into the building and add a unique feature to your building. You can have a fixed skylight or an operable one. We work with both aluminum skylights and iron-clad skylights.that can be faceted, double-skinned, curved, or angled to create the desired finish.

Aluminium Glass partitions are a series of single toughened glass panels that are suspended from an aluminum track. As per the individual requirements and specifications, our movable glass partitions can be used for space division in a flexible and elegant manner.

A shower partition is a type of shower enclosure that is designed with individual sections or partitions. These partitions are typically made of glass and they allow for separate areas of the shower to be created for different users or purposes. Partition showers are often used in gym locker rooms, spa facilities, and other public places where multiple people may need to use the shower at the same time. They can also be a stylish and functional addition to a home bathroom Using a variety of systems like

- Interior Partitions
- Shower

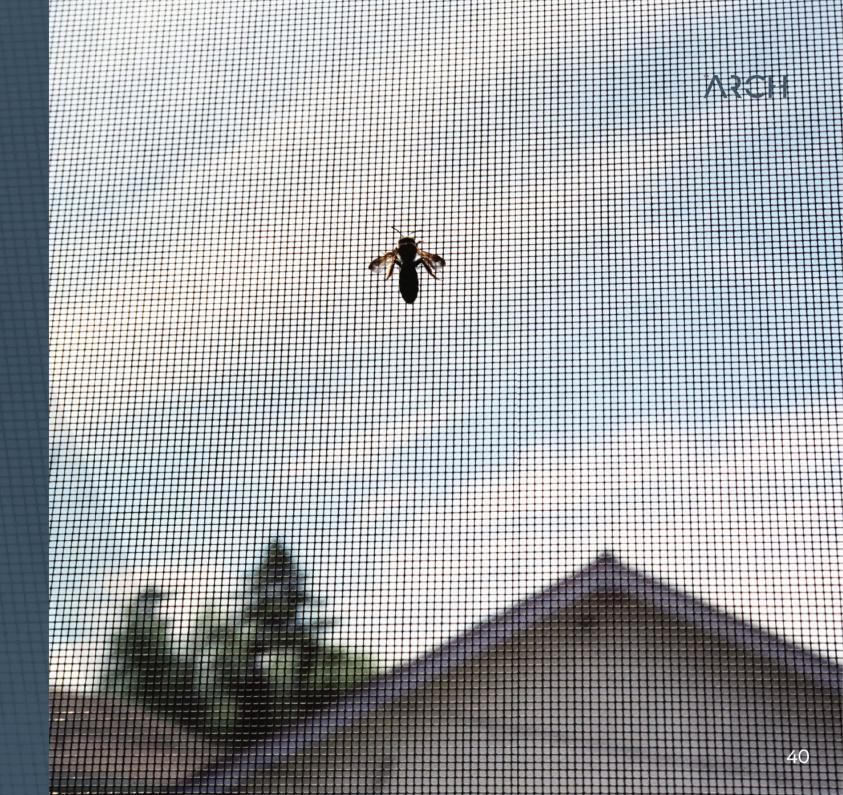

We understand the importance of creating a safe and comfortable environment to enjoy your outdoor living space so we strive to provide quality pergola services. Our team is highly experienced and knowledgeable about all aspects of building a custom pergola for your home or business.

- Motorized
- Fixed
- Steel
- Glass

We provide window screens also known as insect screens, bug screens, fly screens, flywire, wire mesh, or window net designed to cover the opening of a window. It is usually a mesh made of metal, fiberglass, plastic wire, or other pieces of plastic and stretched in a frame of wood or metal.

- Roll Up
- Sliding

#### Through our flexible approach are able to meet and surpass the aspirations of our clients. Our early involvement during both design development and tender stages enables us to provide a valued engineered environmentally conscious design solution, while still enabling the performance, aesthetic and financial criteria to be met. We are able to incorporate sustainable solutions for every design requirement. and we are able to offer innovative high-performance cladding solutions for individual client requirements. External cladding is usually where the client is able to stamp their signature on a project for the outside world to see. Our aim is the realization of the client's expressions. Using a variety of systems like Flat Cladding CNC Cladding Fly Mesh FLAT CLADDING

#### WOODEN

Arch Wooden is a distinct wood producer that specializes in offering a diverse range of furniture items and interior installations.

Our entire range of products is carefully crafted and tailored to fulfill the unique requirements of every individual client.

Our cutting-edge workshop employs advanced manufacturing technologies along with talented craftsmen to carry out every client's project, which is carefully designed and customized by our in-house team of designers.

Arch Wooden provides a practical and visually appealing solution for both residential and commercial purposes. The products are meticulously crafted in Saudi Arabia, showcasing exceptional craftsmanship.

## SER VICES

#### **PRODUCT DESIGN**

We strongly believe that exceptional design, top-notch quality, and outstanding customer service are the core foundations of a thriving business. These factors are deeply ingrained in our daily operations and serve as our defining attributes.

#### **MANUFACTURING**

At our factory, the true essence of craftsmanship unfolds. Highly experienced artisans, with years of expertise, collaborate with younger craftsmen who contribute fresh ideas and vitality to the creative process. This dynamic mixture of talent and passion is what makes our factory a hub of innovation. Our manufacturing facility, we employ a combination of traditional methods, cutting-edge machinery, and innovative techniques to streamline the **production** process.

#### **SUPPLIES**

Supplies like Furniture, fixtures, and equipment (abbreviated as FF&E or FFE) refer to movable furniture, fixtures, or other equipment that have no permanent connection to the structure of a building. These items, which include desks, chairs, computers, electronic equipment, tables, bookcases, and partitions, typically depreciate substantially over their long-term use but are nevertheless important costs to consider when valuing a company as we are the local partner of a number of international furniture suppliers we can provide any project type supplies with these steps:

- Design the Schematic Layout
- Gather Specification Data
- Present FF&E to the Client
- Procurement

- Confirm Delivery and Condition Status
- Installation and Punch List
- Client Handover

#### **NRCH**

#### **HOSPITALITY**

IN THE BUSINESS DOMAIN, WE PROVIDE COMPREHENSIVE SOLUTIONS TO THE COMMERCIAL INDUSTRY IN THE MIDDLE EAST. THIS INVOLVES FURNISHING SERVICES, OPERATIONAL EQUIPMENT, AND ENGINEERING PRODUCTS. OUR AIM IS TO INFORM THE EXPERT AUDIENCE ABOUT THE TURNKEY SOLUTIONS WE OFFER.

#### **COMMERCIAL**

WE PROVIDE COMPREHENSIVE SOLUTIONS FOR BUSINESSES IN THE COMMERCIAL INDUSTRY IN THE MIDDLE EAST BY OFFERING A RANGE OF SERVICES INCLUDING FURNITURE, OPERATIONAL EQUIPMENT, AND ENGINEERING PRODUCTS.

#### **EDUCATIONAL**

OUR COMPANY OFFERS SCIENTIFICALLY ANALYZED AND RESEARCHED PRODUCTS THAT ARE ERGONOMICALLY DESIGNED TO CATER TO THE NEEDS OF STUDENTS. OUR FOCUS IS NOT ONLY ON IMPROVING LEARNING EFFICIENCY AND CONCENTRATION BUT ALSO ON PROMOTING CORRECT POSTURE FOR THE WELL-BEING OF CHILDREN.

## SCOPE OFWORK

55

## SCOPE OF WORK

OUR COMMITMENT TO DELIVERING FURNITURE OF EXCEPTIONAL QUALITY AND VALUE IS UNWAVERING. WITHIN OUR BUSINESS, WE HAVE MULTIPLE TEAMS OF HIGHLY SKILLED ARTISANS WHO ARE WHOLLY DEDICATED TO CRAFTING BESPOKE FURNITURE THAT EXUDES UNPARALLELED BEAUTY AND STYLE. OUR CREATIONS ARE METICULOUSLY DESIGNED TO SEAMLESSLY BLEND WITH THE INTERIOR AESTHETICS OF RESIDENCES, HIGH-RISE BUILDINGS, GRAND PALACES, AND LUXURIOUS VILLAS.

#### **CORPARATE**

WE ACKNOWLEDGE THE SIGNIFICANT IMPACT THAT OFFICE FURNITURE DESIGN AND QUALITY HAVE ON ENHANCING PRODUCTIVITY. OUR PRIMARY OBJECTIVE IS TO MEET THE DIVERSE REQUIREMENTS OF CONTEMPORARY WORKSPACES AND ACHIEVE THE IDEAL COMBINATION OF ITALIAN DESIGN, INNOVATION, QUALITY, RELIABILITY, AND FUNCTIONALITY.

#### **S** LIGHTING

WE SPECIALIZES IN OFFERING TOP-NOTCH LANDSCAPE AND FACADE LIGHTING SOLUTIONS. OUR SKILLED TEAMS, COMPRISING OF RESEARCH AND DEVELOPMENT, PRODUCTION, QUALITY CONTROL, AND SALES PROFESSIONALS, PROVIDE COMPREHENSIVE SERVICES FROM THE INITIAL CONCEPT STAGE TO FINAL DELIVERY. WE ALSO OFFER REMOTE TECHNICAL SUPPORT TO CATER TO THE NEEDS OF THE ENTIRE INDUSTRY.

57 58

#### **TSHATIB**

A prominent Saudi supply company in its industry. The integrated online store offers a comprehensive range of products necessary for construction, finishing, and renovation projects. We offer sophisticated, premium merchandise sourced from top-tier global manufacturers, accompanied by an assurance that safeguards your purchase against any potential flaws.
